The Story Behind The Name

Golden Monkey Chinese Restaurant is a refined dining destination offering authentic Chinese-Cantonese cuisine, with locations in both Ubud and Sanur, two of Bali's most iconic areas. Established in Ubud in 2016, Golden Monkey has become a beloved culinary institution, blending the rich traditions of Cantonese cooking with Bali's vibrant spirit. The name Golden Monkey reflects the perfect balance between luxury and luck golden symbolising wealth and preciousness, and the monkey representing good fortune and prosperity. With this philosophy at its heart, Golden Monkey delivers a dining experience that is both exceptional and memorable, offering the finest Chinese cuisine in a setting that combines elegance, tradition, and a touch of the island's unique charm.

The restaurant specialises in a range of signature dishes, including Wok Specialties, Chinese BBQ, dim sum, and hotpot (hotpot is available in Sanur). Each dish is prepared with the utmost attention to authenticity and flavour. Whether you are gathering with friends over a bubbling hotpot, indulging in smoky Chinese BBQ, or enjoying delicate dim sum, Golden Monkey serves up food that is rich in taste and steeped in tradition. To complement the dishes, we offer a carefully curated selection of wines and cocktails, ensuring every meal is elevated to an unforgettable experience.

Cantonese cuisine, originating from the Guangdong Province of China, is celebrated for its simplicity and emphasis on fresh, natural ingredients. The flavours are clean, light, and rich, reflecting the region's abundance of organic produce. Golden Monkey brings this culinary tradition to life with signature dishes such as hotpot, where diners share a bubbling pot of flavourful broth, Chinese BBQ, featuring smoky, tender meats cooked to perfection; and dim sum, a delightful variety of bite-sized delicacies, perfect for sharing with family and friends.

In addition to the warm and welcoming atmosphere inside the restaurant, Golden Monkey offers outdoor dining options, allowing guests to enjoy their meal in a relaxed, al fresco setting. For those who prefer to dine at home, we provide a convenient delivery service in both Ubud and Sanur, ensuring that you can enjoy our exceptional dishes wherever you are.

Whether you are celebrating a special occasion, enjoying a casual meal, or simply craving the rich flavours of Cantonese cuisine, Golden Monkey offers an unparalleled dining experience. Every dish is crafted to offer a perfect balance of tradition, taste, and elegance, making Golden Monkey not just a restaurant, but a celebration of authentic Chinese cooking, luxury, and good fortune.
